How it works

1. **Book a demo call.** We discuss your business, what you sell and the website you need.
2. **Share your details** using the checklist below.
3. **I build, you review.** You can request changes within your package.
4. **Your website goes live** once everything is approved and the required accounts are ready.

Checklist: what I'll need from you

About your business

- ☐ Business name and logo (if you have one)
- ☐ A few lines about your business
- ☐ Contact details to show on the website
- ☐ Instagram and other social links
- ☐ Delivery areas or pin codes you serve

Your products

- ☐ Product names and prices
- ☐ Short description for each product
- ☐ Sizes, flavours or variants, if any
- ☐ Clear product photos
- ☐ Delivery charges and timelines

Domain

- ☐ A domain you already own, or the name you'd like to buy (for example yourbrand.in)
- ☐ Access to the domain account, or we buy it together on the call

Razorpay (payments)

- ☐ A Razorpay account in your name (I'll guide you)
- ☐ Your PAN and bank account details, entered by you in Razorpay
- ☐ Business proof, if Razorpay asks for it

Shiprocket (Full Store only)

- ☐ A Shiprocket account in your name (I'll guide you)
- ☐ Pickup address
- ☐ KYC details, entered by you in Shiprocket

Policies

- ☐ Refund and cancellation rules
- ☐ Shipping or delivery rules
- ☐ I'll help you write these in simple language

You own your website, domain and business accounts. Payment and shipping accounts are always set up in your name, and you enter your own bank and identity details. · Websites by Isha
